

Supply List for Mrs. Arntzen's 2/3 Class
2017-18 School Year

Hello Parents,

I have good news! Due to the fact that we received an abundance of certain supplies this school year, we will be re-using much of what we already have, however; there are only just a few items needed. All items can be purchased at Target for just around \$11.00 total. Please select only the brands chosen as they are built to last the entire year. Thank you so much! Looking forward to the upcoming school year with your children!
